

KZ ZEX Pro Earbuds with microphone

Indeks: **315939** Producent: **KZ Audio** Kod producenta: **ZEX Pro**

Cena: **262.59 zł**

Opis

KZ ZEX Pro Earbuds with microphone

Producent: KZ Audio

- In-ear headphones
- KZ ZEX Pro - Sounds of Nature. (KZ x Crinacle CRN). Electrostatic & Dynamic & Balanced Armature. Low Voltage Electrostatic Unit. Double Magnetic Dynamic UnitBalanced Armature. Zinc alloy cover. Translucent resin cavity. Fitting cochlear design.
- High-Performance Hybrid Configuration KZ ZEX Pro is the first electrostatic & dynamic & balanced armature hybrid earphone of KZ. Three kinds of high-performance units, the sound unit is integrated, and the superior structure is supplemented by precise tuning, which instantly blooms the sound of nature. 30095 High frequency balanced armature unit. 10mm Dual magnetic dynamic unit. 6.8mm Electret electrostatic unit.
- Wide Sound Field Satisfies the Sense of Hearing 20kHz high frequency even better performance than balanced armature, benefit from the high-density sounds and Hi-Res audio performance of the electrostatic, KZ ZEX Pro has more details and greatly improved high-frequency ductility. Electret Low-Voltage Electrostatic Unit KZ ZEX Pro uses the 6.8mm electret unit. The electrostatic field formed by the change of the two electrode plates, the extremely thin diaphragm produces sound under the uniform drive of electrostatic force. Compared with other sounding units of the same specification, the low-voltage electrostatic unit has superior performance and more stable quality consistency.
- The aviation-grade zinc alloy radius curving surface cover is matched with the imported skin-friendly resin cavity. KZ ZEX Pro creates luxury craft aesthetics. Delicate metal texture and stylish, streamlined beauty coexist. The 2PIN interface can be freely matched with the upgrade cable, and it can be upgraded to Bluetooth Earphones with the KZ Bluetooth cable. Its 2PIN plug-in structure design is carefully designed and improved by analyzing the industry's advantages and disadvantages of various interchangeable cable interface methods. Increase cable protection design. 0.75mm gold-plated pin. Effectively protect the pins from breaking. Customized Wearing Experience.
- **technologia łączności:** Wire 3.5mm jack, Wire 3.5mm jack
- **wersja dla kraju:** PL
- **zawarte komponenty:** Headphones, Different sizes of plugs
- **impedancja:** 25 ohm
- **Nazwa modelu:** KZ ZEX Pro Earbuds with microphone
- **opis przedziału wiekowego:** dla dorosłych
- **obudowa słuchawek:** Douszne
- **punkt znaku wypunktowania:** In-ear headphones, KZ ZEX Pro - Sounds of Nature. (KZ x Crinacle CRN). Electrostatic & Dynamic & Balanced Armature. Low Voltage Electrostatic Unit. - **marka:** KZ
- **poziom opakowania:** unit
- **region docelowy:** Global
- **Liczba przedmiotów:** 1
- **rozmiar:** One size
- **opis gwarancji:** 2 year
- **styl:** Modern
- **pleć docelowa:** unisex
- **kolor:** Black
- **gniazdo słuchawkowe:** Jack 3,5 mm
- **waga opakowania przedmiotu:** 0.07 kilograms
- **współczynnik kształtu mikrofonu:** Wbudowany
- **producent:** KZ Audio
- **zewnętrznie przypisany identyfikator produktu:** 6970493062370
- **zalecane węzły przeglądania:** 20788402031, 20788272031
- **temat:** Earbuds with microphone
- **numer modelu:** ZEX Pro
- **specjalna funkcja:** Microphone Included
- **technologia komunikacji bezprzewodowej:** Bluetooth
- **nazwa przedmiotu:** KZ ZEX Pro Earbuds with microphone
- **data premiery:** 2023-01-01T00:00:01Z
- **data uruchomienia strony produktu:** 2023-02-03T12:34:30.459Z
- **materiał:** Tworzywo sztuczne
